The Mandate and Roles Document for the ALBERTA MOTOR VEHICLE INDUSTRY COUNCIL ("AMVIC" or "Council") has been developed collaboratively between the Minister of Service Alberta and Red Tape Reduction ("Minister") and the Council concerning their respective legal and administrative roles and responsibilities relating to the delegation to the Council under the *Consumer Protection Act*. A clear understanding of the respective roles and responsibilities of the Department of Service Alberta and Red Tape Reduction and the Council contributes to good governance and effective agency operations and service delivery.

AMVIC, as a Public Agency, is subject to the *Alberta Public Agencies Governance Act* and is accountable to the Government of Alberta, through the Minister, in fulfilling its mandate and accountabilities. Nothing in this Mandate and Roles Document is intended to or shall interfere with the Council's proper exercise of any statutory powers of decision. Although the Department is responsible for ensuring the Council is effectively performing its delegated roles and responsibilities through oversight of the Board, the Council is an independent body making independent decisions.

1. Council Mandate

- 1.1 To protect consumers and industry from unfair practices in the automotive business industry.
- 1.2 AMVIC was incorporated as a society under the *Societies Act* and was continued under s. 137.8(1) of the *Consumer Protection Act*. AMVIC is established as a regulatory board to exercise the powers, duties and functions delegated to it under s. 136(5) of the *Consumer Protection Act*.

This includes the requirements applicable to the Chief Executive Officer (“CEO”) as a Designated Senior Official under the *Conflicts of Interest Act* Part 4.3 Designation Order. Adjudicative Matters

- 1.7 The Council is responsible for administrative enforcement actions made by the Director of Fair Trading (as delegated) under the legislation.
